

What are the differences between
user roles?

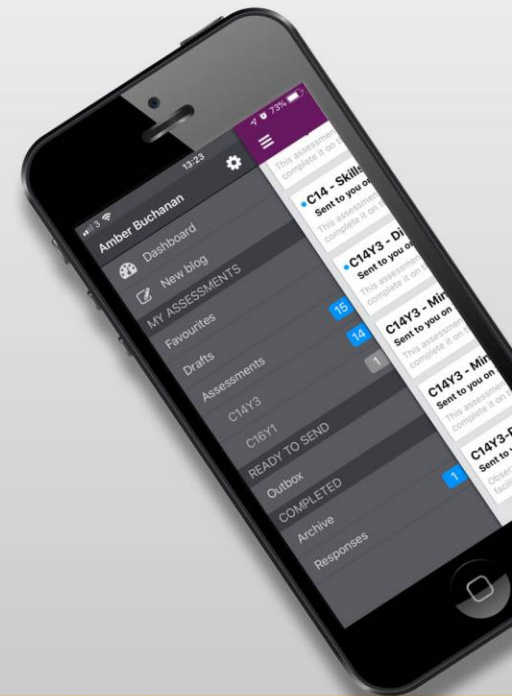

System Administrators

Can...

- Add/edit/delete users
- Add/edit/delete cohorts
- Manage organisation structure, frameworks, mentors, placements & timesheets, terminology, branding, integrations/APIs subscriptions, and system messages
- Access some assessment and operational reports

Cannot...

- Create/edit/deploy assessments
- Upload useful resources
- Access system, teaching and progress reports
- Access or amend anything above their level if placed in a child organisation

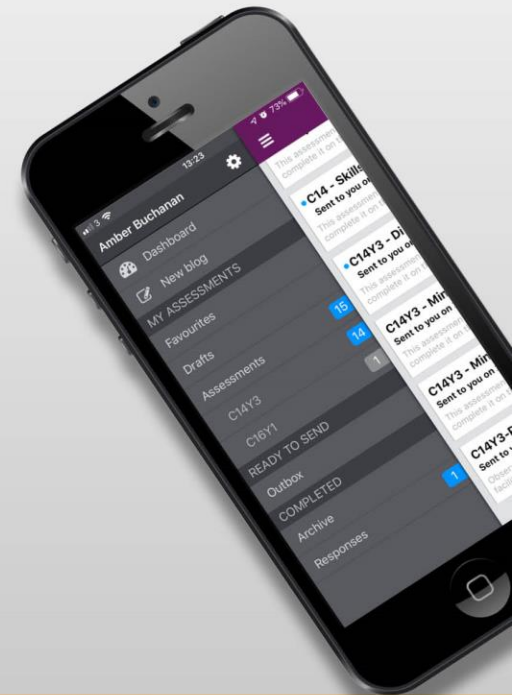

Course Admins

Can...

- Add/edit/delete users
- Add/edit/delete cohorts
- Manage organisation structure, frameworks, mentors, placements & timesheets, grading, and system messages
- Access assessment, observational assessment, placement and operational reports
- Upload useful resources
- Create/edit/deploy/withdraw assessments
- Re-send deployed assessments
- View students in review mode

Cannot...

- Access or amend anything above their level if placed in a child organisation
- Mark/score/grade responses

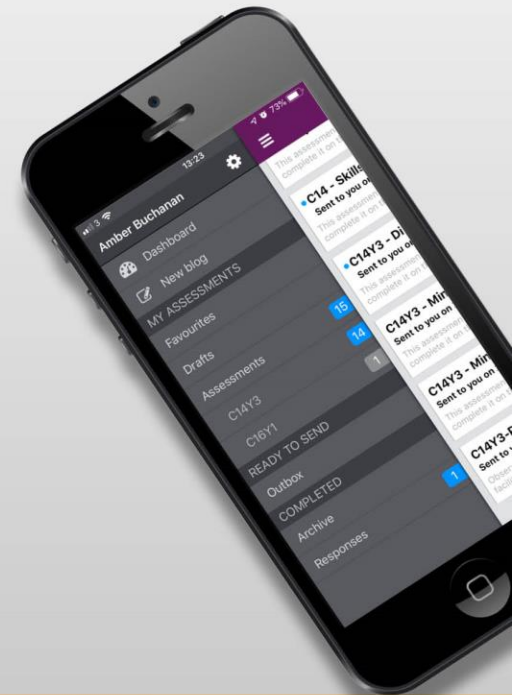

Super-Tutors
